

## Lutheran World Relief Mission Quilts connect hands and hearts around the world.

Recipients around the world use their LWR Quilts to shield against the cold and rain, and for warm bedding. But their versatility also makes Quilts useful as simple tents, floor coverings, or a wrap to hold a baby on a mother's back. Remember winter is coming & the LWR warehoused quilts were blown up when the Port of Beirut was bombed on August 4, they need to be replaced.

The three quilts pictured above were just completed by the talented Trinity Pasadena quilters using the Prayers and Squares quilting fabrics, making a total of 10 quilts to date and just in time too...

LSS notified us that HAGL would yet again be the ingathering location for local churches to bring their quilts on **Wednesday, October 21<sup>st</sup> between 10AM to Noon.**
